You will be notified by email on whether or not you have been allocated a place at this conference.

The conference is funded by Inverclyde Child Protection Committee and there is no charge for attendance however a charge maybe made for participants who fail to attend without prior notification

EQUAL OPPORTUNITIES / ACCESS :

The Child Protection Committee is working towards equality of opportunity in all of its activities. Our training programmes try to actively address the experiences and needs of all members of the community.

The Beacon is accessible. However, it is helpful if you can advise us in advance if you have sensory or mobility difficulties. Please also talk to us if you have particular needs or additional requirements such as induction loop, disabled parking, assistance around the building, sign language interpreter etc. We will do our best to provide for your requirements but regret that some facilities are not standard and are subject to availability.

If you need to speak to us regarding these issues, please contact Susan Kerr, Inverclyde Child Protection Committee, telephone number: (01475) 714709.
